Re: *United States v. Steven Skoien*  
Case No. 08-cr-12-bbc

Dear Judge Crabb:

Last Friday, June 5, 2009, I filed a Third Motion for Postponement of Report Date (Docket No. 50), in which I indicated that I would submit a report from Mr. Skoien's treating physician when I received it. I have now received a report from Dr. William Pennington and am filing it herewith. As stated in the motion filed last week, and documented in his report, it is Dr. Pennington's opinion that Mr. Skoien's report date should be postponed for two to three months to allow sufficient time for "aggressive physical therapy as well as strict nonuse of his left shoulder."

Thank you for your time in considering this request.

Sincerely,

/s/ Michael W. Lieberman
